

# MONEY BREAKTHROUGHS

A 21-day  
money cleanse

JOY. ABUNDANCE. POSSIBILITY.

## Step into the new story

“Step out of the history that is holding you back. Step into the new story you are willing to create.” -  
Oprah Winfrey

So, I have a feeling you are closer than you think to living an abundant life. Sometimes it just takes a shift in perspective to redefine our reality.

Abundance is a feeling – not a destination. People of all wealth statuses can feel lack or abundance. READ THAT AGAIN. It isn't about how much money you have in the bank, it is feeling at peace with money. Abundance is about building a relationship with money that brings you joy.

As a bonus, I have a final exercise for you to do. So many times, money is right in front of you and you don't even realize it is there. Sometimes it presents itself as opportunity, sometimes as discarded or ignored resources, and other times it is literally cash in your pocket.
